Dear Citizen:

The Corning Police Department is conducting Code Enforcement in your neighborhood. I am forwarding this section of the Corning Municipal Code for your information.

Corning Municipal Code 10.32.060 states:

“It is unlawful and a misdemeanor for any person to abandon, park, store or permit the abandonment, parking, storing, or leaving of any licensed or unlicensed vehicle or parts thereof which is in an abandoned, wrecked, dismantled, or inoperative condition upon any private property or public property, not including highways, within the city for a period in excess of five days; unless such vehicle or parts thereof is completely enclosed within a building in a lawful manner where it is not plainly visible from the street or other public or private property, or unless such vehicle is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler, licensed vehicle dealer, or a junkyard.”

Our records show that your property may contain vehicles in violation of the above municipal code.

Corning Municipal Code 10.32.090 CMC allows for a ten day grace period for removal of such vehicles. I recognize that this is not much time. Please call me so we can set up a mutually agreeable timetable for removal of these vehicles. You will receive a letter in a few days.

What this means to you:

1. The property owner will have to make arrangements to have any such vehicles and/or parts removed from your property. If not, the vehicles will be towed anyway at his/her expense. **If you are renting, you must forward this letter to your landlord/property owner.**
2. If you have any questions or concerns, or do not understand what is being asked of you, please do not hesitate to contact me at the Corning Police Department.

Sincerely,

Anthony Cardenas
