Chapter 10.04STATE APPROVAL OF TRAFFIC REGULATIONS*Sections:

- 10.04.010 Withdrawal of approval designated.
- 10.04.020 Effect of approval.

10.04.010 Withdrawal of approval designated. Any provision of any ordinance of the city, which regulates traffic or delegates the regulation of traffic upon state highways in any way for which the approval of the Department of Transportation is required by state law, shall cease to be operative six months after receipt by the city council of written notice of withdrawal of approval of the Department of Transportation. (Ord. 323 §15(part), 1978; Ord. 167 §1, 1960).

* For statutory provisions on state approval of certain local traffic regulations, see Vehicle Code §21104.

10.04.020 Effect of approval. Whenever any ordinance of the city delegates authority to a city officer, or authorizes action by the city council to regulate traffic upon a state highway in any way which by state law requires the prior approval of the Department of Transportation, no such

officer shall exercise such authority nor shall such action by the city council be effective with respect to any state highway without the prior approval in writing of the Department of Transportation when and to the extent required by Division 11 of the Vehicle Code. (Ord. 323 §15(part), 1978: Ord. 167 §2, 1960).

SPEED LIMITS*

Sections:

- 10.08.010 Maximum speed limit.
- 10.08.020 Lower speed limit set by state.
- 10.08.030 Maximum speed limit increase or decrease.

10.08.010 Maximum speed limit. A. The maximum speed limit for motor vehicles within the city shall be twenty-five miles per hour, except as provided in Section 10.08.030.

B. The maximum speed limit set forth in this section has, upon the basis of an engineering and traffic survey, been determined to be most appropriate to facilitate the orderly movement of vehicular traffic and is reasonable and safe. (Ord. 417 §1, 1984: Ord. 323 §16, 1978: Ord. 228 §1, 1966).

10.08.020 Lower speed limit set by state. In those instances in which the Vehicle Code of the state has fixed a speed limit of less than twenty-five miles per hour, such lower speed limits shall be applicable. (Ord. 228 §3, 1966)

10.08.030 Maximum speed limit increase or decrease. The city of Corning has conducted an engineering and traffic survey of streets within the city of Corning, and as a result of such engineering and traffic survey it has been determined that the maximum speed limit of twenty-five miles per hour should be modified on the following streets as follows:

A. The maximum speed limit shall be increased from twenty-five miles per hour to thirty-five miles per hour on Solano Street, between Marguerite Avenue and the east city limit.

B. The maximum speed limit shall be increased from twenty-five miles per hour to thirty-five miles per hour on

* For statutory provisions on local regulations of speed limits, see Vehicle Code §§22357 through 22360.
