The City shall pay only that amount necessary to make up the difference between the employee's monthly rate and the amount payable to the employee as temporary disability payments from the Worker's Compensation Insurance Plan of the City. To take advantage of this benefit, the employee must forward their Temporary disability check to the City.

The City reserves the right to specify which of the two verification procedures will be required in any particular situation. If the City requires verification from a physician, the City shall pay for the cost of such verification to the extent such cost is not reimbursed by the Employee's health insurance.

17.7 If the City determines that an Employee has abused the provisions of the sick leave policy, the Employee shall be subject to disciplinary action.

17.9 Sick Leave Conversion Upon Retirement: In lieu of a cash-out of sick leave, an employee upon retirement under PERS, may choose as an option to convert a percentage of the dollar value of the sick leave, at the employee's current hourly base rate of pay as of the date of retirement, to pay the pre-paid health insurance premium for a period of time up to age 65 according to the following conversion plan.

<u>Employee's years of Service with City:</u>	<u>Percentage value of employee's accrued Sick Leave:</u>
Through 15 years	50%
16 through 19 years	70%
20 or more years	80%

(A) Following is the procedure to account for the percentage value of converted sick leave. At the written request of the retiring employee, the City Staff will compute the dollar value of the accrued sick leave according to the percentages shown above and maintain an accounting in the employee's name deducting the amount of monthly City health insurance premium from the "balance".

(B) The value of sick leave does not accrue in a cash fund for each employee; therefore, no actual funds are held in trust. The City simply agrees to pay the retiree's premium for a period of time until the balance value of the conversion is depleted.

(C) Should a retired employee want to stop their insurance premium payments under the Section, the employee must notify the City Manager in writing, giving the date payments should end, and City Staff will do an accounting of the actual dollar amount already paid out. Should this amount still be less than the fifty percent (50%) value provided for in the sick leave payoff provisions of this MOU (Section 17.2), the balance will be paid to the employee.

(D) Should a retired employee die prior to fully using this benefit, any dependents covered under the health insurance may, if permitted to continue insurance coverage by the insurance carrier, receive the continuation of this benefit until fully expended. The benefit shall have no cash value to the employee's estate, nor can the City accept any claim for payoff by heirs.

The annual payment is to be made on the pay period prior to Thanksgiving Day. This Holiday in Lieu Pay provision for Union Members replaces all previous policies and resolves any and all previous Holiday Pay issues.

**ARTICLE 20
457 DEFERRED COMPENSATION PLAN**

The City agrees to match employee's contributions to their 457 Deferred Compensation Plan up to \$60 per month. The City match is only available for one (1) Deferred Compensation Plan even if employees are enrolled in more than one (1) Plan. The City agrees that the retirement tier changes in 21.2 and 21.3 will not affect employees hired prior to January 1, 2012.

In the event the Legislature modifies the Cal PERS employee/employer contribution rates, the City and Union agree to meet within fifteen days and discuss; provided, however, that this provision shall not be considered a contract reopener; and further provided that this contract provision shall not be used by the City in any action or proceeding to interpret this contract.

22.2 The Employee shall have the option of converting up to fifty percent (50%) of unpaid accumulated vacation to cash payment in lieu of taking vacation. Employees may exercise the payoff option only one (1) time per fiscal year with five (5) working days' notice to payroll.

ARTICLE 23 PROBATION PERIOD AND EVALUATION

23.1 All Employee evaluations will be made by the Employee's immediate Supervisor or the Employee's Department Head annually prior to the employee's anniversary date. In the event the immediate supervisor or Department Head is unable to complete the evaluation, the City Manager may complete the evaluation. The City reserves the right to conduct formal evaluation summaries every six (6) months. Nothing contained herein should be construed to limit the right of the City to continually monitor and assess Employee performance and provide feedback to the Employee regarding the Employee's performance.

23.2 All new, promoted, and reclassified Employees are on probation for twelve (12) months. Current City Employees accepting a promotion to a higher classification retain the right to return to their former classification if the City determines during the probation period that they are unable to satisfy the requirements of the new classification.

23.3 Time spent in a non-paid status will not be counted towards an employee's seniority. When an employee takes unpaid leave, only the unpaid hours off work will remain uncounted toward seniority.

ARTICLE 24 LAY-OFF POLICY

24.1 The City may lay off Employees whenever it becomes necessary because of lack of work or funds, or whenever it is deemed advisable in the interests of economy to reduce the force in a department or office.

24.2 Persons shall be laid off in the following order:

(A) All extra help, temporary and provisional Employees in the same department and

within the same job classification shall be laid off before any regular Employee is laid off.

(B) When it becomes necessary to reduce the force in any department or office by lay-off of regular Employees, seniority shall be the determining factor. In the case where seniority is equal, ability shall govern. The determination of ability shall be the exclusive responsibility of the Department Head, provided that in making such determination, consideration shall be given to skill, efficiency, knowledge, physical fitness, training and attitude toward fellow Employees.

24.3 Seniority shall be measured from the Employee's most recent initial appointment to City service, but shall not include any period during which such Employee was on leave without pay, or not actually in City employment because of the Employee's voluntary termination, lay-off or other cause; provided that, for any Employee who is re-employed after being discharged, seniority shall be measured from the date of the Employee's most recent appointment.

24.4 The City shall send written notice by certified mail, postage prepaid, return receipt requested, and correctly addressed to the last known mailing address of the Employee as found in the Employee's personnel file. In lieu of the above, the City may serve notice by personal service. Notice of lay-off shall be made at least thirty (30) days prior to the effective date of the action.

24.5 In lieu of being laid off, a regular Employee may elect demotion and displacement in the same department to a classification previously held by said Employee with substantially the same or lower salary step and/or to a classification in which said Employee meets the minimum qualifications. Demotion and displacement rights to specific classifications shall be applicable only within the department and subject to lay-off list provisions in this Article based on seniority and ability. Employees wishing demotion and displacement in lieu of lay-off must notify the City Manager in writing of this election no later than seven (7) calendar days after receiving notice of layoff.
