**10.1 Currently, the City offers a choice of five (5) Health Insurance Policies; (2) Operating Engineers Public Employees' Health and Welfare Plans; and (3) different tier Blue Shield Savings Account Plans. All Employees and their dependents may participate in the Operating Engineer Public Employees' Health and Welfare Plans, or any of the Blue Shield Savings Account Plans, with the City contributing to the cost of such plan up to \$1,800.00 per month toward the rate. **10.3** The City shall provide life insurance in the amount of one hundred thousand dollars (\$100,000) effective the first pay period in 2016 following City Council approval of the Memorandum of Understanding (MOU) and will continue to pay the life and disability insurance premiums.

**10.4** The City shall have the option of replacing the Operating Engineers Public Employees Health and Welfare Plan with a plan of the City's choosing. If the City exercises this option, the City shall maintain coverage that is comparable and substantially equivalent to that provided currently under the present plan.

**10.5** The City will make an Employee Assistance Program (EAP) available to each regular employee. The EAP provides personal, family and career counseling to employees along with financial counseling referral, and legal referrals to employees.

#### **ARTICLE 11 ADMINISTRATIVE LEAVE**

**11.1** Employees accrue one hundred hours (100) of Administrative Leave per year.

**11.2** Administrative Leave time may be carried into the following year, but at no time can it exceed **two hundred (200) hours**.

**11.3** Administrative Leave in excess of **two hundred (200) hours** shall be paid.

**11.4** Employees shall be allowed to convert up to fifty (50%) percent of Administrative Leave hours each fiscal year to paid days. Department heads shall plan for such conversion in their annual budget proposals.

**11.5** Unused Administrative Leave shall be paid upon termination.

#### **ARTICLE 12 457 DEFERRED COMPENSATION PLAN**

**12.1** The City agrees to match employee's contribution to their 457 Deferred Compensation Plan **up to \$75** per month. The City match is only available for one (1) Deferred Compensation Plan even if employees are enrolled in more than one (1) Plan. Employees must commit to maintain their 457 contribution for one full year.

#### **ARTICLE 13 SICK LEAVE**

**13.1** Sick leave is available to an employee to use in case of illness, bodily injury, exposure to a contagious disease, medical or dental appointment or attendance upon seriously ill member of employee's immediate family, as defined by these rules. An employee may take paid sick leave after the first month of employment. Every effort by the employee shall be made to schedule appointments during non-work hours.

**13.2** Sick leave with pay shall be granted to all Employees. Sick leave shall be accumulated at the rate of one (1) day per calendar month of service, not to exceed a total accumulation of two hundred forty (240) days. An employee with 20 years service to the City will be allowed unlimited sick leave accrual above the 240-day cap only for the exclusive purpose of converting to pre-paid health insurance after retirement.

**13.3** Family Leave: Family Leave shall be administered in accordance with applicable State and Federal Law.

**13.4** Bereavement Leave: In the event of a death in the immediate family, the Employee may take off up to four (4) days. The immediate family shall be defined as husband, wife, child, stepchild, mother, father, brother, sister, in-laws, grandparents and grandchildren. Such leave shall not be charged to sick leave. Bereavement leave must be taken within two months following the death of the immediate family member. Leave shall be taken in full day increments.

**13.5** Employees who have less than thirty-six (36) days of sick leave accumulated may, in lieu of taking vacation, bank said vacation time under sick leave.

**13.6** On-The-Job Injuries: When an employee is off work as a result of a valid on-the-job injury sustained in the service of the City, the employee is entitled to use their accrued Sick Leave during the period of disability to make up the difference between their regular pay and the Workers Compensation Temporary Disability Payments. The City shall pay only that amount necessary to make up the difference between the employee's monthly rate and the amount payable to the employee as temporary disability payments from the Worker's Compensation Insurance Plan of the City. To take advantage of this benefit, the employee must forward their temporary disability check to the City.

**13.7** The City may require verification of the necessity for sick leave. Such verification may be in the form of a written statement from a doctor or a personal affidavit from the Employee. The City reserves the right to specify which of the two verification procedures will be required in any particular situation. If the City requires verification from a physician, the City shall pay for the cost of such verification to the extent such cost is not reimbursed by the Employee's health insurance.

**13.8** If the City determines that an Employee has abused the provisions of the sick leave policy, the Employee shall be subject to disciplinary action.

**13.9** Sick Leave Credit Upon Retirement: The Employer agrees to pay fifty percent (50%) of Employee's unused accumulated sick leave upon retirement or death. Upon reduction in force, the City shall pay twenty-five percent (25%) of Employee's unused accumulated sick leave.

**13.10** Sick Leave Conversion Upon Retirement: In lieu of a cash out of sick leave, an employee, upon retirement under PERS, may choose as an option to convert a percentage of the dollar value of the sick leave at the employee's current hourly base rate of pay as of the date of retirement, to pay the pre-paid health insurance premium up for a period of time up to age 65 according to the following conversion plan.

<b><u>Employee's years of service with City</u></b>	<b><u>Percentage value of employee's accrued Sick Leave</u></b>
Through 15 years	50%
16 through 19 years	70%
20 or more years	80%

(a) Following is the procedure to account for the percentage value of converted sick leave. At the written request of the retiring employee, the City Staff will compute the dollar value of the accrued sick leave according to the percentages shown above and maintain an accounting in the employee's name deducting the amount of monthly City Health Insurance

Premium from the "balance".

(b) The value of sick leave does not accrue in a cash fund for each employee; therefore, no actual funds are held in trust. The City simply agrees to pay the retiree's premium for a period of time until the balance value of the conversion is depleted.

(c) Should a retired employee want to stop their insurance premium payments under the Section, the employee must notify the City Manager in writing, giving the date payments should end, and City Staff will do an accounting of the percent (50%) value provided for in the sick leave payoff provisions of this MOU and the actual dollar amount already paid out. Should this amount still be less than the fifty percent provided for in Section 17.2, the balance will be paid to the employee.

(d) Should a retired employee die prior to fully using this benefit, any dependents covered under the health insurance may, if permitted to continue insurance coverage by the insurance carrier, receive the continuation of this benefit until fully expended. The benefit shall have no cash value to the employee's estate, nor can the City accept any claim for payoff by heirs.

(e) Employees not choosing to remain in the City's offered health plan may utilize the benefits set out in these sections to be applied to the cost of a private health plan. The retired employee will be reimbursed, on a quarter year basis, such amounts as provided in these sections, upon submission of a written claim and proof of a paid premium by the retired employee. The form, manner of claim and proof, will be as prescribed by the City.

#### **ARTICLE 14 UNIFORM ALLOWANCE**

**14.1** The City agrees to furnish, at no cost to the Employees, necessary foul weather gear and safety items required and determined by the City. In addition, thereto, the Employer may furnish two (2) coveralls per week to each Employee desiring coveralls. Upon City determination, the City agrees to provide either short or long sleeve safety shirts, rubber boots, safety boots and gloves.

**14.2** The City shall provide a Uniform Allowance of \$900 per year to the Police Chief and \$300 per year for the Fire Chief.

**15.2** An Employee who is regularly scheduled to work on a holiday shall be granted a day off at a time mutually agreeable to the Employee and the Employer.

**THE CITY OF CORNING IS AN EQUAL OPPORTUNITY PROVIDER AND EMPLOYER**

**15.3** If a holiday falls on an Employee's day off, the Employer shall compensate the Employee by either eight (8) hours compensatory time off, or eight (8) hours straight-time pay, at the Employee's option.

**15.4** The Veteran's Day Holiday which falls in November will be celebrated on the nearest Monday or Friday, which will create a three-day weekend. The Christmas Eve holiday will be celebrated either on Christmas Eve or the day after Christmas, whichever will create a four-day weekend.

The City agrees that the retirement tier changes in 16.3, 16.4 and 16.5 will not affect employees hired prior to January 1, 2012.

**In the event the Legislature modifies the Cal PERS employee/employer contribution rates, the City and Union agree to meet within fifteen days and discuss; provided, however, that this provision shall not be considered a contract reopener; and further provided that this contract provision shall not be used by the City in any action or proceeding to interpret this contract.**
