STREET VENDING

“Street Vending” means the act of any person or persons engaged or employed, whether temporary or not, in the business of selling, exhibiting for sale, or taking orders from consumers on private property adjacent to City Streets for any type of food product, goods, wares or merchandise. This definition applies to a person or persons vending food or other merchandise from pushcarts, vehicles, trailers, temporary stands or other readily mobile sources to customers within the City limits.

BUSINESS LICENSE REQUIREMENT

As specified in Title 5 of the Corning Municipal Code (CMC) any vending operation, except those that are part of a city recognized “Farmers Market” or found to be exempt as nonprofit organizations pursuant to Chapter 5.12 of the CMC, must obtain a business license from the City. In addition to a business license the sale of fireworks is governed by Section 8.18.040 of the CMC.

***The business license must be posted and visible during hours of operation.**

Prior to the City issuing a business license for street vending, the applicant must provide the following information:

- A) Completed application form, including a written description of the proposed vending activity.
- B) Proof of valid health permit(s), if required by applicable law or regulation as it applies to prepared or processed food products.

- C) Site plan (sketch) identifying the property, type and location of the vending activity.
- D) The written approval of the property owner where such vending shall be conducted on private property.
- E) The location of available restrooms to be used by the vendor. The vending applicant shall provide rest room facilities as provided for in State Law and available within 100 feet of the vendor business site. If the vendor is proposing to use non-public restrooms, such as an adjacent business, the vendor must provide written approval from the business to use the restrooms.

LOCATION REQUIREMENTS

1. **Right-of-way.** Stationary site street vending shall not be permitted in a roadway median, parkway or within any other public right-of-way.
2. **Mobile or stationary Site.** Street vending is not permitted to set up or sell on any City Property or City Parking Lot.
3. **City Parks.** Street vending shall not be permitted in any city park unless participating in a City-approved community activity such as a Chamber of Commerce (COC) event, and such vendor shall apply for and receive permission to participate in the community activity from the COC or other City-recognized event organizer
4. **Residential zoning districts.** Stationary site street vending shall not be permitted in a residential zone.

5. **Food vendors in a residential zone.** In residential zones a food vendor shall not stop in any single location for more than a 10 minute period.
6. **Traffic safety visibility.** No Street vending shall be located where it will obstruct the safe line-of-sight distance at any intersections as determined by the Public Works Director.
7. **Proximity to other items.** No vending shall occur within 10 feet of a fire hydrant, fire escape, building entrance, bus stop, loading zone, handicapped parking space, access ramp, or any type of driveway entrance. A greater distance or separation may be required in order to preserve line-of-sight, or for other safety reasons. The vending activity shall not damage any landscaped areas.

OPERATION REQUIREMENTS

1. **Appearance & storage.** The vendor shall maintain the area within which vending activities occur in a clean, safe, sanitary and dust-controlled condition. With the exception of fixed stands selling a food product grown on site, the vendor must remove all evidence of vending and leave the site in a clean state at the close of each business day.
2. **Obstructions and hazards.** No vendor shall obstruct vehicular traffic, bicycle traffic, sidewalk pedestrian traffic, or accessibility to vehicles parked or adjacent to the curb, and shall not create public health or safety hazards.
